

Pet First Aid/CPR and Safety Certification Class

When: Saturday, March 15, 2014 (11am– 4pm)

Where: Coachella Valley Animal Campus, 72-050 Petland Place, Thousand Palms, CA (Riverside County Dept. of Animal Services)

Cost: \$80 (covers all course materials)

Contact: Diana Martinez at 760.601.3761 or dmartinez@animalsamaritans.org for any questions.

Register online at <http://www.pettech.net/schedule/regclass.php?classid=1872>

Registration and payment (by phone) are due February 17, 2014.

Space is limited.

This hands-on course uses visuals, demonstrations, and pet manikin skills testing to learn how to perform a variety of lifesaving techniques including CPR, rescue breathing and bandaging for your dog or cat .

You will learn how to provide initial care in these types of emergency situations: choking, bleeding, burns, shock, heat stroke and snakebites.

Learn how to create a disaster action plan and kit for your pets.

All participants will receive a PetSaver Program book and a Pet Tech certificate of completion.
