Dog Bite Prevention

If you see me running your way, **do not run away!** Instead...

Stand still so I will get bored. That way I will **leave you alone.**

Dog Bite Prevention

If you see me, **do not run up to me.** You might scare me.

If I fear you, I will bite you.
Be Safe!

Dog Bite Prevention

Dogs **protect** their...

even their **owners.**

Dog Bite Prevention

If I **growl**, I am actually talking to you.

I am letting you know I want you to **leave me alone.**

Thank you!
