

# ANIMAL COMPANION THERAPY

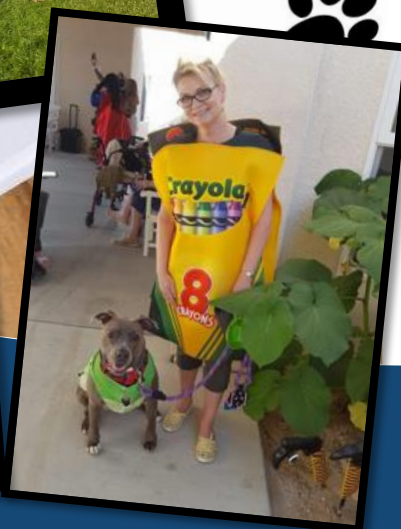

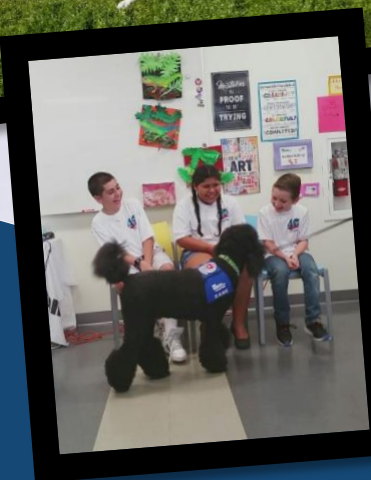

**Animal Companion Therapy**  
ANIMAL SAMARITANS

## WE WANT YOU!

Are you interested in making therapy visits with your “best friend” to hospitals, nursing homes, rehab centers, special needs facilities, special needs classrooms, etc.? If the answer is **YES**, do we have a job for you!

Future therapy dogs must have a Canine Good Citizen Title (go to AKC.org, click on CGC for more information) showing that they are obedience trained, non-aggressive, and people friendly. Animal Samaritans will then Temperament Test your pet to make sure this is the right kind of work for them and they are happy doing it. You will be given the best assignment the ACT program feels fits your desires and that of the program.

To learn more about this amazing program of animals helping people, please [call our Volunteer office at 760.601.3924](tel:760.601.3924).

For other volunteer opportunities contact our volunteer office at: (760) 601-3930.
